Mrs. Joycelyn Pennyfeather, Principal of the Edgar T. Morris Primary School, accepted the information package on behalf of her staff, as did Ms. Joycelyn Mitchum, Principal of the Molineaux Primary School. Mrs. Pennyfeather is a graduate of UWI, having completed the entire B Ed. Administration programme at the St. Kitts site.

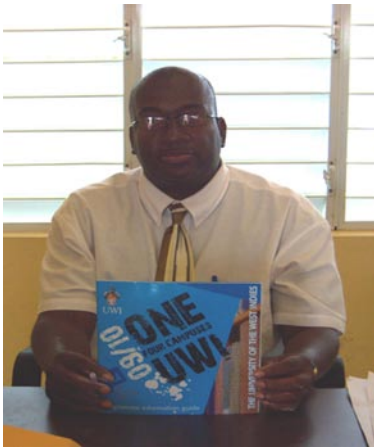

On the visit to the Molineaux Primary School, the UWI St. Kitts staff met another graduate of the B Ed. Administration programme, Mr. Francil Morris. The principals of these schools expressed an interest in having UWI staff make follow-up calls to the schools in order to give teachers more detailed information on programmes and courses available.
