### Academic Year 2018/19

#### PROGRAMME ADVISING FOR THE ACADEMIC YEAR 2018/19

##### ADVICE FOR MANAGING YOUR COURSE LOAD:

As a Year 1 student you may register for a maximum of 3 courses during Semesters 1 and 2, and 2 courses in Summer.

As an adult learner with competing responsibilities for your time it is very important during your first year working in this online environment that you adhere to the above requirement.

Once you have successfully completed your first year, you will be in a better position to determine if you can take on an increased course load. **Your Level 1 courses are very important to prepare you for Levels 2 and 3 of the programme.** It is important therefore that you make your first year a success.

##### TIPS:

- Refer to your Offer/Acceptance Letter from Admissions to determine if you are required to take ELPT. This is a prerequisites for the Level 1 courses (FOUN1001). **The course Improving Your Mathematics Skills (IYMS1001) is a prerequisite for ECON1010. If you possess a pass in Mathematics at O'level, you are exempted from the IYMS.** PLEASE SELECT YOUR COURSES **IN THE SEMESTER AND SEQUENCE IN WHICH THEY ARE OFFERED** – this is because **they will serve as pre-requisites for your following level courses.** You cannot register for a course without having passed the pre-requisite/s.
- Psychology students are asked to note carefully, the instructions for registering for the FOUN (Foundation) courses.
