

PROGRAMME ADVISING
ASSOCIATE DEGREE IN SOCIAL WORK (SOWK)
ACADEMIC YEAR 2018/2019
PROGRAMME DELIVERY DEPARTMENT (PDD)

ADVICE: For the working adult we recommend a maximum of three (3) courses for the semester.

IMPORTANT INFORMATION TO GUIDE COURSE SELECTION/ REGISTRATION

New Students: Students who enrolled as of Academic Year 2018/2019 must follow the course sequence given for their programme.

Continuing Students: Students are required to successfully complete all courses in Year 1 before they can proceed to Undertake courses in Year 2.

Students are required to follow the prescribed course of study given below for their programme.

Advice For Managing Your Course Load: Most students carry between 1 – 3 courses per semester. Plan wisely to suit your particular situation so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.

The **ASc in Social Work** is designed to provide training for social work assistants to prepare them for work in agencies and communities and to provide appropriate support to social workers within the Caribbean context. Students build competencies in functional areas. The ASc in Social Work programme is delivered online. However, final examinations are held face-to-face at the respective sites.

The **ASc. Degree in Social Work programme** has 60 credits. Students may use this programme to ladder into a Bachelor's degree (BSc).

The **Associate Degree in Social Work** programme operates under a semester system.

- Semester 1 and 2 each, have thirteen (13) weeks of instruction plus an examination period.
- Summer session has seven (7) weeks of instruction plus the examination period.

Summer Offering: Summer is not mandatory and is not a regular semester. However, it gives students the opportunity to complete courses outside the regular semesters and adds flexibility to your programme plan, however the study period is shorter (7-8 weeks) and very intensive.

Summer also gives finalizing students the opportunity to fast track their programme for completion to be eligible for graduation in October of academic year 2018/2019. Note the summer period is not funded by the Government Assistance for Tuition Expenses Programme (GATE).

Requirements for an Award:

To be eligible for the award of the Associate Degree in Social Work a student must successfully complete the equivalent of sixty (60) credits distributed as follows:

- Five (5) Compulsory General Education Courses (15 credits)
- Fourteen (14) compulsory Core Courses (42 credits)
- One (1) elective course (3 credits)

Duration of the programme: Students studying on a full-time schedule must complete the programme in a maximum of 8 semesters or two years; and part time for 16 semesters or three years. However, we strongly recommend that you do not attempt more than 3 courses if, as an adult, your job and family commitments make it difficult to meet the academic requirements of your programme. Each course is 39 contact hours.

Assessment Methods: The work of students will be assessed and evaluated on a continuous basis through assignments, class-work, tests and an end-of-semester examination in each subject. Assessment requirements are noted in the course outline of each course with clear guidelines, due dates and the weighting for each assessment task.

Pre-requisites for Matriculation into the Associate Degree programme:
