### **Programme Advising**

## **Associate Degree in Paralegal Studies Programme: Academic Year 2016/2017**

### **Associate Degree in Paralegal Studies (PALS) Programme Advising for Academic Year 2016/2017**

*ADVICE: For the working adult we recommend a maximum of three (3) courses for the semester.*

#### **IMPORTANT INFORMATION TO GUIDE COURSE SELECTION/ REGISTRATION**

**New Students:** Students who enrolled as of Academic Year 2016/2017 must follow the course sequence given for their programme.

**Continuing Students:** Students are required to successfully complete all courses in Year 1 before they can proceed to Undertake courses in Year 2.

Students are required to follow the prescribed course of study given below for their programme.

**Important Advice:** Most students carry between 1 – 3 courses per semester. Plan wisely to suit your particular situation so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.

The **ASc in Paralegal Studies** is designed to provide a sound academic foundation and exposure to legal practice and procedure in Caribbean Jurisdictions to enable paralegals to function effectively in contemporary law offices. Students build skills in law office management and information technology. The ASc in Paralegal Studies programme is delivered online. However, final examinations are held face-to-face at the respective sites.

The **ASc. Degree in Paralegal Studies** provides normal matriculation for the Bachelors of Law Degree (LLB) at the University of the West Indies.

## ***PROPOSED SCHEDULE***

The **ASc in Paralegal Studies** operates under a semester system.

- Semester 1 and 2 each have thirteen (13) weeks of instruction plus an examination period.
- Summer session has seven (7) weeks of instruction plus the examination period.

**Summer Offering:** Summer is not mandatory and is not a regular semester. However, it gives students the opportunity to complete courses outside the regular semesters and adds flexibility to your programme plan, however the study period is shorter (7-8 weeks) and very intensive.

Summer also gives finalizing students the opportunity to fast track their programme for completion to be eligible for graduation in October of academic year 2016/2017. Note the **summer period** is not funded by the Government Assistance for Tuition Expenses Programme (GATE).

**NOTE: *Field specific*** courses in the Associate Degree in Paralegal programme are not offered in the summer. For example: LAW1900, LAW1902, LAW1904....etc.

**Requirements for an Award:** To be eligible for the award of the **Associate Degree in Paralegal Studies** a student must successfully complete the equivalent of sixty (60) credits distributed as follows:

- Six (6) Compulsory General Education Courses (18 credits)
- Thirteen (13) compulsory Core Courses (39 credits)
- One (1) elective course (3 credits)

**Duration of the programme:** Students studying on a ***full-time*** schedule must complete the programme in a maximum of 8 semesters or two years; and ***part time*** for 16 semesters or three years. However, we strongly recommend that you do not attempt ***more than 3 courses*** if, as an adult, your job and family commitments make it difficult to meet the academic requirements of your programme. Each course is 39 contact hours.

**Assessment Methods:** The work of students will be assessed and evaluated on a continuous basis through assignments, class-work, tests and an end-of-semester examination in each subject. Assessment requirements are noted in the course outline of each course with clear guidelines, due dates and the weighting for each assessment task.

**Pre-requisites for Matriculation into the Associate Degree programme:**

### **Mathematics Requirements:**

For entry to the ASc programmes an approved qualification in Mathematics is required. The minimum Mathematics requirement is a pass at CSEC or the equivalent. Candidates who do not meet this requirement must successfully complete an approved remedial Mathematics course. Approved remedial Mathematics courses include Improving your Math Skills (IYMS1001) and MATH0900 Mathematics. **IYMS1001** is offered in semester 1, 2 and summer and **MATH0900** in semester 1 and summer.

## ***PROPOSED SCHEDULE***

### **English Language Requirements:**

The **English Language Proficiency Test (ELPT)** is used to assess whether applicants to the ASc possess a satisfactory level of writing and reading proficiency in English for university academic purposes. **ELPT** is a pre-requisite for FOUN1001: English for Academic Purposes. For those persons requiring ELPT, the exam schedule is posted by the Registry on the Department's Web Page at: <http://www.open.uwi.edu/undergraduate/elpt>. Also check your site office for more details. **The earliest offering for ELPT for semester 1 is August 9, 2016.** Applicants who do not pass the ELPT must re-take the test at the next offering **November 2, 2016.**

### **Technology Requirement:**

Students will need to have access to a computer with Internet access.

### **TIPS:**

1. For the working adult, we recommend that you do not attempt ***more than 3 courses*** per semester. **Plan wisely to suit your particular situation** so you may perform at your full potential.
2. Continuing students are required to complete all their level one courses including pre-requisite before undertaking courses from level two.
3. Read your course guide carefully prior to the start of teaching and take note of the pertinent information to assist with the planning of your time schedule for the semester. Note your course guide will provide the course assessment method(s), assignments and grading rubrics, timelines for submission of assignments, date and time for the live web sessions, recommended text and additional reading resources, as well as a brief summary of each unit and objectives.
4. Check the programme advising document before the start of registration and during the semester for any updates or additional information.

### **Additionally, please note:**

**Leave of Absence (LOA):** If you are unable to take a course, you should apply for LOA in writing, by submitting a written request on the Leave of Absence form to the Academic Board, through the Registry of Student Services, detailing the reasons for the application. Students must submit to the Registry through their Site office. Granting of leave is subject to the regulations. Also, send a note to your tutors and course coordinators.

**Plagiarism:** A form of cheating. **Not allowed**, please refer to note in student's handbook.
