Dr. Barbara A. Rodgers-Newbold
COUNTRY HEAD
OPEN CAMPUS, BAHAMAS

Dear Students,

As Country Head of the Open Campus Bahamas, I wish to take this opportunity to welcome each of you to the University of The West Indies Open Campus on behalf of our management and staff. We are pleased that you have selected the Open Campus Bahamas to pursue your educational goals. To those of you who are joining us for the first time, we extend a warm welcome to the UWI Open Campus Family! And for those of you returning for the academic year 2016/2017, we welcome you back and hope your respite has been restful and rejuvenating!

At the Open Campus Bahamas, our aim is to provide you with personalized student service and assist in making your sojourn with us rewarding and academically fulfilling. We encourage you to familiarize yourself with the Open Campus Student Support

services and the support services offered at the Open Campus Site in Nassau. We are continually seeking ways to improve our services by strengthening our relationship with our students and providing avenues through which we can render additional support. We also take this opportunity to encourage you to become an active member of the Bahamas Chapter of the Student Guild to enhance your networking and support and to foster fellowship and camaraderie among your peers here in the Bahamas.

I look forward to meeting each of you and invite you to stop by our office located at #78 Village Road at your convenience to meet our staff and to discuss any needs, concerns, or suggestions you may have. We also invite you to view our Open Campus Bahamas homepage periodically to stay abreast of any updates, changes, notices, or other pertinent information which may be beneficial to you.

Once again, welcome you to the UWI Open Campus Family and I wish you all the best in your upcoming studies!
