Students build theoretical knowledge and management competencies in a broad range of functional areas. The ASc in Business Management programme is delivered online. - Summer session has seven (7) weeks of instruction plus the examination period.

Summer Offering: Summer is not mandatory and is not a regular semester. However, it gives students the opportunity to complete courses outside the regular semesters and adds flexibility to your programme plan, however the study period is shorter (7-8 weeks) and very intensive.

Summer also gives finalizing students the opportunity to fast track their programme for completion to be eligible for graduation in October of academic year 2020/2021. Note the **summer period** is not funded by the Government Assistance for Tuition Expenses Programme (GATE).

Requirements for an Award: To be eligible for the award of Associate Degree in Business Management a student must successfully complete the equivalent of sixty (60) credits distributed as follows:

- Six (6) Compulsory General Education Courses (18 credits)
