

PROGRAMME ADVISING

BEd Educational Leadership and Management SPECIAL

ACADEMIC YEAR
2020/2021

Programme Delivery Department (PDD)

Programme Manager: Mrs. Colleen Robinson-Hunte

Email: colleen.robinson-hunte@open.uwi.edu

IMPORTANT INFORMATION TO GUIDE COURSE SELECTION & REGISTRATION

Kindly review this document at the start of each semester
for any adjustments to the schedule.

New Students

Students who enrolled as of Academic Year 2019/2020 must follow the prescribed course of study and sequence given for their programme.

Continuing Students

Students are required to successfully, complete all courses in Year 1 before they can proceed to undertake courses in Year 2. Please continue to follow the prescribed course of study given.

Advice For Managing Course Load

Most students carry between 1 – 3 courses per semester. **For the working adult**, we recommend that you **do not attempt more than three (3) courses** per semester and two (2) courses in summer.

Plan wisely to suit your particular situation so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.

IMPORTANT NOTE for New Students

Orientation is the first step to achieving academic and personal success at the UWI Open Campus. It supports you by assisting with your transition to the online environment. It will equip you with the needed navigational skills to function successfully online and provide pertinent information about the available services, go to persons and responsibilities as an online student. It is imperative that you attend the online sessions offered by the Programme Delivery Department (PDD) as well as the session offered at your local site office.

Disclaimer: The Programme Delivery Department (PDD), UWI Open Campus reserves the right to revise this document during the Academic Year 2019/2020. Kindly check before the start of registration and during the semester for any updates or additional information. Please be guided accordingly.

The **BEd Educational Leadership & Management (EDLM)** provides learners with an introduction to the core content, knowledge and skills in the field of educational leadership and management. The programme offers learners the opportunity to focus on core courses that are complemented by a choice of elective courses to meet the individual needs of educational leaders and managers at different levels of the education system. The courses are designed to enhance leadership and management skills, knowledge, and competencies to meet the new requirements advocated through educational reform for the Caribbean. The programme is delivered online using the Open Campus “Learning Exchange” environment (Moodle/Learning Management System).

The **BEd Educational Leadership & Management (EDLM)** is a 90-credit undergraduate programme. The duration of the programme is 3 years full-time and five years part-time. In order to qualify for the award of the BEd EDLM students must attain the credits at the respective levels as shown in the Table below.

Awards	Level 1	Level 2	Level 3	Total Credits
Degree	30 credits	30 credits	30 credits	90 credits

BEd Educational Leadership & Management (EDLM) operates under a semester system.

- Semester 1 and 2 each, have thirteen (13) weeks of instruction plus an examination period.
- Summer session has seven (7) weeks of instruction plus the examination period.

Remember to check the programme-advising document before the start of registration and during the semester for any updates or additional information.

Pre-requisites for Matriculation into the BEd Educational Leadership & Management (Major) Programme

- **Mathematics Requirements:** For entry to the Undergraduate programmes, an approved qualification in Mathematics is required. The minimum Mathematics requirement is a pass at CSEC or the equivalent. Candidates who do not meet this requirement must successfully complete the approved remedial Mathematics course Improving your Math Skills (IYMS1001). IYMS1001 is offered in semester 1, 2 and summer.

Disclaimer: The Programme Delivery Department (PDD), UWI Open Campus reserves the right to revise this document during the Academic Year 2019/2020. Kindly check before the start of registration and during the semester for any updates or additional information. Please be guided accordingly.

- **English Language Requirements:** The English Language Proficiency Test (ELPT) is used to assess whether applicants to the Undergraduate programmes possess a satisfactory level of writing and reading proficiency in English for university academic purposes. ELPT is a pre-requisite for FOUN1001: English for Academic Purposes. For those persons requiring ELPT, the exam schedule is posted by the Registry on the Department's Web Page at: <http://www.open.uwi.edu/undergraduate/home>. Also, check your site office for more details. The earliest offering of ELPT **August 6th, 2020**.
- **Technology Requirement:** Students will need to have access to a computer with Internet access.
- **Programme Specific Requirements:** Currently, to take this professional, work-based programme the candidate must be employed in an education-related institution – a ministry of education, an institution at the early childhood, primary, secondary or tertiary level – in one of the Caribbean countries serviced by the UWI to ground their courses in practice and to conduct their field experience and Practicum. The UWI Open Campus Country Site (OCCS) facilitates examinations for courses assessed through a traditional face-to-face examination. In keeping with the work-based approach to this programme, new entrants:

1. Must have a minimum of one year of working experience in an educational institution; and
2. Must be employed in an educational institution – public or private, ministry of education - for the duration of the programme. Proof of employment is required.

These are essential requirements as the instructional design of the programme and course assessments will be integrated with the work place experience.

Applicants should also meet normal or lower matriculation AND have an acceptable pass in the CXC-CSEC (General Proficiency) Mathematics or its equivalent.

Disclaimer: The Programme Delivery Department (PDD), UWI Open Campus reserves the right to revise this document during the Academic Year 2019/2020. Kindly check before the start of registration and during the semester for any updates or additional information. Please be guided accordingly.

COURSE CODE	COURSE NAME	SEMESTER	PRE-REQUISITES & TIPS
YEAR/LEVEL 1			
FOUN1001	English for Academic Purposes	1, 2, Summer	<p>ELPT – English Language Proficiency*</p> <p>* If your Offer Letter from Admissions indicates that you are required to take the ELPT then you must first pass this Pre-requisite test before you are allowed to do FOUN1001. Students requiring ELPT, the earliest offer is: August 6th, 2020.</p> <p>TIP: If you already passed the ELPT you should register for FOUN1001 in Semester 1. To move on to Level 2 courses students must successfully pass this course.</p> <p>FOUN1001 is designed to expose you to expository writing – expected of you as a student of the University of the West Indies. Throughout the course, you will learn multiple strategies related to formal academia. Much emphasis is placed on producing written pieces, which exemplify sound grammatical forms and clarity of expression</p> <p>With effect from Academic year 2019-2020, all newly admitted students to the University of the West Indies will be required to register for the required Foundation Course in Academic Literacies (unless otherwise exempted) as part of their Level One undergraduate degree programme. Part-time students will be required to register for this course during the first year of their registration.</p>
EDLM1002	Foundations of Reflective Practice	1	<p>None: ALL students are required to take EDLM1002 in Semester 1. This core course is required as a foundation for all other courses in this programme. This course introduces you to reflective practice as a core principle to facilitate learning and practice throughout your programme of study. As learners you will be introduced to the perquisites of reflective practice. This includes exposure to the knowledge, skills and disposition associated with (a) the processes and stages of reflection (b) the principles and approaches that promote autonomous learning and (c) the development of critical thinking skills</p> <p>Assessment: 100% Course Work</p>
