IMPORTANT INFORMATION TO GUIDE COURSE SELECTION & REGISTRATION

Kindly review this document at the start of each semester
for any adjustments to the schedule.

New Students

Students who enrolled as of Academic Year 2020/2021 must follow the prescribed course of study and sequence given for their programme.

Continuing Students

Students are required to successfully, complete all courses in Year 1 before they can proceed to undertake courses in Year 2. Please continue to follow the prescribed course of study given.

Advice For Managing Course Load

Most students carry between 1 – 3 courses per semester. **For the working adult**, we recommend that you **do not attempt more than three (3) courses** per semester and two (2) courses in summer.

Plan wisely to suit your particular situation so you may perform at your full potential. Do not jeopardize your long-term goals by being unrealistic about what you can handle.

IMPORTANT NOTE for New Students

Orientation is the first step to achieving academic and personal success at the UWI Open Campus. It supports you by assisting with your transition to the online environment. It will equip you with the needed navigational skills to function successfully online and provide pertinent information about the available services, go to persons and responsibilities as an online student. It is imperative that you attend the online sessions offered by the Programme Delivery Department (PDD) as well as the session offered at your local site office.

Disclaimer: The Programme Delivery Department (PDD), UWI Open Campus reserves the right to revise this document during the Academic Year 2020/2021. Kindly check before the start of registration and during the semester for any updates or additional information. Please be guided accordingly.

The **BSc Psychology** demonstrates the importance of scientific reasoning in the study of politics, the importance of political discovery and practical relevance of political knowledge for progressive Caribbean democracies. The programme is delivered online using the Open Campus “Learning Exchange” environment (Moodle/Learning Management System).

The **BSc Psychology** is a 90-credit undergraduate programme. The duration of the programme is three (3) years full-time and five (5) years part-time. In order to qualify for the award of the BSc Psychology, students must attain the credits at the respective levels as shown in the Table below.

Awards	Level 1	Level 2	Level 3	Total Credits
Degree	30 credits	30 credits	30 credits	90 credits

BSc Psychology operates under a semester system.

- Semester 1 and 2 each, have thirteen (13) weeks of instruction plus an examination period.
- Summer session has seven (7) weeks of instruction plus the examination period.

Remember to check the programme-advising document before the start of registration and during the semester for any updates or additional information.

Pre-requisites for Matriculation into the BSc Psychology Programme

- **Mathematics Requirements:** For entry to the Undergraduate programmes, an approved qualification in Mathematics is required. The minimum Mathematics requirement is a pass at CSEC or the equivalent. Candidates who do not meet this requirement must successfully complete the approved remedial Mathematics course Improving your Math Skills (IYMS1001). IYMS1001 is offered in semester 1, 2 and summer.
- **English Language Requirements:** The English Language Proficiency Test (ELPT) is used to assess whether applicants to the Undergraduate programmes possess a satisfactory level of writing and reading proficiency in English for university academic purposes. ELPT is a pre-requisite for FOUN1001: English for Academic Purposes. For those persons requiring ELPT, the exam schedule is posted by the Registry on the Department’s Web Page at: <http://www.open.uwi.edu/undergraduate/home>. Also, check your site office for more details. The earliest offering of ELPT **August 6th, 2020.**

Disclaimer: The Programme Delivery Department (PDD), UWI Open Campus reserves the right to revise this document during the Academic Year 2020/2021. Kindly check before the start of registration and during the semester for any updates or additional information. Please be guided accordingly.

- **Technology Requirement:** Students will need to have access to a computer with Internet access.
