## NOTICE TO ALL NEW UWI OPEN CAMPUS STUDENTS FROM TRINIDAD AND TOBAGO

### ENROLMENT AND PAYMENT POLICY FOR STUDENTS ELIGIBLE FOR GATE FUNDING EFFECTIVE ACADEMIC YEAR 2020/2021, SEMESTER 1

Dear New Students,

Welcome to the Open Campus! This notice is to provide you with important information regarding covering the cost of your course of study.

Students who intend to apply for GATE funding for academic programmes that are eligible for funding from the Government of Trinidad and Tobago, kindly note the following:

For Semester 1, 2020/ 2021:

- Face-to-face students will be required to pay all fees in full;
- Students undertaking online undergraduate degree programmes will be required to pay all compulsory fees as well as a non-refundable deposit of \$1,000. The deposit will be applied to the portion of the fee which is not covered under GATE;
- Students undertaking postgraduate programmes will be required to pay all compulsory fees as well as a non-refundable deposit of \$2,000 that will be applied as indicated above.

Please note that all fees stated above **must** be paid before the end of the normal registration period.

In addition, your application for GATE funding must be submitted for processing no later than the end of the late registration period and you must ensure that your application is uploaded in Step 4 of the FOSS System. **Failure to complete that application process within the stated deadline will result in the student being responsible to the Open Campus for settlement of the full tuition fee charge for the semester which must be settled before the end of the semester.**

For Semester 2, 2020/ 2021 and onwards:

- Students enrolled in online undergraduate or postgraduate degree programmes will be required to pay all compulsory fees as well as the total amount of fees not funded by GATE, based on the percentage of funding approved by GATE for the previous semester. To assist you, the Open Campus GATE fees schedule (below) shows the funding shortfall per course based on the number of course credits and the percentage of funding covered by GATE.

Please note that these fees **must** be paid before the end of the normal registration period.

If at the end of any semester your application has not been approved by GATE and/or there are outstanding fees on your account, a financial hold will be placed on the account. If your GATE application is submitted within the stated deadline, but your application is denied or there is a balance of tuition fees to be settled after applying the approved level of GATE funding, the balance must be settled before the end of the semester. Failure to do so will result in a financial hold being placed on your account.
