NOTICE TO ALL RETURNING UWI OPEN CAMPUS STUDENTS FROM TRINIDAD AND TOBAGO

ENROLMENT AND PAYMENT POLICY FOR STUDENTS ELIGIBLE FOR GATE FUNDING EFFECTIVE ACADEMIC YEAR 2020/2021 SEMESTER 1

Dear Returning Students,

Welcome Back!

Please read this letter carefully as it provides important guidelines for students who intend to apply for GATE funding for academic programmes that are eligible for funding from the Government of Trinidad and Tobago.

Please note the following for Academic Year 2020/ 2021:

- Face-to-Face students will be required to pay all fees in full;
- Online students will be required to pay all compulsory fees;
- Based on the level of funding support previously provided by GATE, returning students enrolled in online programmes will also be required to pay the difference between your total course fees and the proportion of funding provided by GATE for previous approved application. For your convenience, the fee schedule presented below lists the amounts you are required to pay based on your percentage of GATE funding and the number of credits per course.

The fees noted above **must** be paid before the end of the normal registration period.

In addition, you are required to complete the GATE application process no later than the end of the late registration period and you must ensure that your application is uploaded in Step 4 of the FOSS System. Failure to complete that application process within the stated deadline will result in you, the student, being responsible to the Open Campus for settlement of the full tuition fee charge for the semester which must be settled before the end of the semester.

If at the end of the semester your application has not been approved by GATE and/or there are outstanding fees on your account, a financial hold will be placed on the account. In the case of students who submit their GATE applications within the stated deadline, if GATE funding is denied or there is a balance of tuition fees to be settled after applying the approved level of GATE funding, the balance must be settled before the end of the semester. Failure to do so will result in a financial hold being placed on your account.
