ANTIGUA AND BARBUDA SITE CLOSURE

From the Principal and the Open Campus COVID-19 Emergency Management Team

The UWI Open Campus Antigua and Barbuda Country Site announces the closure of the Antigua Site effective Monday March 30, 2020 in response to the recent declaration of a state of emergency by the Government of Antigua and Barbuda.

The Site closure will not affect the online programmes which will continue as usual and Site staff will be available to provide support online through the student portal, via email at antigua@open.uwi.edu, or via telephone number 1(268)729-6786.

Students are encouraged to check their e-mails regularly for updates as it pertains to their courses/programmes.

Please note that every effort will be made to ensure continuity of service to our students and other stakeholders via the Open Campus online platform.

We thank you for your kind cooperation and understanding as we do our part to minimize the spread and impact of the COVID-19 virus in our community.

Stay tuned and stay safe
